**WRIGHT LIBRARY SEEKING NEW FOUNDATION BOARD MEMBERS**

The Wright Memorial Public Library Foundation is seeking applicants for several open seats on its governing board.

The new board members would serve a three-year term through December 2024.

The Wright Library Foundation is run by a volunteer board and exists to advance the goals, objectives, and priorities of the Wright Memorial Public Library.

Most recently, the Foundation raised more than \$1.5 million dollars for Wright Library's "Next Chapter" revitalization project. Also this year, the Foundation funded Wright Library's new Holds Pickup Locker, which will be installed in the new Park Entrance vestibule and allow contactless pickup both during and after library operating hours.

Applications may be obtained at Wright Library's Information Desk or may be printed from the library's website at <https://wrightlibrary.org/foundation> and returned to the library. Completed applications are due by 5:00 p.m., October 29, 2021.

The Foundation Board meets on the first Wednesday of each month at 5:30 p.m. either virtually or in the library's Community Room. The meetings are open to the public. Each board member is also assigned to at least one committee that meets on an as-needed basis. Foundation board members should show a strong interest in fundraising for the library and love the library's place in the community.
